One to One Service for Your Payment Processing Needs

Your Payment Solution Provider of Choice

Credomatic's continued success is a direct result of the on-going partnerships and personal connections we make with our clients. We offer full service and support at all levels of the organization and our industry experts share a strong commitment to delivering products and services that meet your every need.

PAYMENT SOLUTIONS

Credomatic delivers efficiency through our complete suite of payment solutions. Our flexible product line allows you to select the options that are uniquely right for your business.

- **Credit and Debit:** Increase sales by accepting all major credit cards, including Visa®, MasterCard®, American Express®, Discover®, bank ATM and debit cards.
- **Electronic Check Service:** Minimize risk with electronic check authorization and save time by converting paper checks into simple electronic transfers.
- **Electronic Gift Card and Loyalty Program:** Boost pre-paid sales, attract new customers and encourage repeat business with customized gift cards.

PERSONALIZED SERVICE

The dedicated service that you will receive with Credomatic is at the cornerstone of what makes the company unique. The goal is to establish a long-term relationship with merchants, truly understand their business models and offer products that will increase their bottom line.

- **Relationship Manager:** Imagine having your very own consultant walking you through the entire Merchant Services process.
- **Easy Account Set-Up:** Credomatic can have your merchant account set up and fully operational in minimal time so you can begin to serve your customers with Credit Card transactions.
- **Online Access:** View up-to-date and historical account information using Credomatic's online account management tool. Your accountant will thank you.
- **Transparent Pricing:** No more guessing rates. With Credomatic, you know exactly how much you are paying in credit card processing fees through easy to read statements.
- **PCI Compliance:** Credomatic is your partner to ensure that your business is certified and updated with PCI compliance regulations.

PROCESSING SOLUTIONS

Credomatic supports a full range of POS terminals and software applications, including low cost countertop and wireless solutions. Your dedicated Relationship Manager will consult with you to evaluate the equipment best suited for you and your industry. Additionally, we offer a free Terminal Placement Program and next day terminal placement.

- **POS (Point of Sale) Terminals:** Credomatic offers a large range of credit card terminals with various connectivity options to make sure you can always accept customer's credit cards.
- **Wireless and Mobile Phone Applications:** Are you the type of merchant that is always on the go, selling at trade shows and other venues? You can now accept credit cards from virtually anywhere, even using your own mobile phone.
- **Touch Screen POS Solutions:** Experience the latest, cutting-edge Point of Sale (POS) systems ideal for today's restaurants and bars.
- **Gateway Solutions:** Credomatic offers ideal payment gateways for merchants who have on-line businesses or want to process credit card payments through the Internet.

MERCHANT PROGRAMS

Credomatic strives to set itself aside from the competition. Our programs are unique to the company and are ways that ensure that we provide the utmost quality and service to our merchants.

- **Express Pay:** Credomatic offers Next Day Availability Funding. This means that you can have access to your funds the next business day.
- **Extended Batch Out:** This program is ideal for businesses that have a late closing time, such as restaurants.
- **Cash Advance Program:** Credomatic provides cash advances to its clients through accounts receivable financing, utilizing a merchant's sales volume.
